Handling Elevator Emergencies

Lead Instructor: Captain Daniel F. Speigel, Wildwood City FD

Emergency personnel with inadequate training in responding to stalled elevators are exposed to an increased risk of injury and death to both the victims and themselves. Learn how to safely and effectively remove passengers from stalled elevators as well as basic elevator procedure. Topics include: nomenclature, safety, how an elevator functions, construction, elevator safety devices, equipment needed, initial response steps, restarting a stalled elevator, lock-out/tag-out procedures, elevator doors, use of hoistway door keys/pick tools, poling, fireman service (Phase I/Phase II), and manually lowering a hydraulic elevator.

PPE: Helmet, work gloves, steel toe boots (work)

Date: 28Nov09 – Wildwood FD, Holly Beach Station

Time: 8 hours (lecture & Hands-on)

Fee: \$ 50

Rope Rescue I (Awareness & Ops)

Instructors: Captain Daniel F. Speigel, Wildwood City FD/NJ-TF1
Firefighter Mike Stork, City of North Wildwood FD/NJ-TF1
Firefighter Mark Becica, Baltimore City FD
Asst. Chief Art Haydon, Erma FD/RESORT

Many fire departments find their communities and rescue challenges growing faster than their ability to handle them. In this course students will learn basic skills and techniques to conduct rope rescue operations when technical rescue teams are not available. Rope Rescue I in the initial phase to increase productivity through hands-on training. Topics include: basic rope rescue fundamentals and techniques, understanding safe rope rescue operation practices, recognizing the dangers associated with rope rescue operations, equipment familiarization, rescue knots, know applications, anchor systems, multi-point anchoring systems, choosing proper anchors, belay techniques, rappelling, simple hauling and lowering systems, patient assessment and packaging.

Meets or exceeds NFPA Standard 1670 and 1006

PPE: Full body harness (if available), rope gloves, helmet, steel toe boots

Date: 21/22Nov09 – Erma FD

Time: 16 hours

Fee: \$ 100
